Team Involvement in Demonstration

Date	23 October 2026
Team ID	0827CY231029
Project Name	Waypoint - AI Travel Itinerary Planner
Maximum Marks	1 Mark

Team Involvement in Demonstration:

Praveen Singh is the sole member of the Waypoint project. He completed all project work and handled the complete demonstration, including preparation, presentation and explanation of the implemented features.

S.No	Team Member Name	Role in Demo	Section Presented	Contribution Summary	Participation (Active / Passive)
1	Praveen Singh	Sole developer and presenter	Entire demo: problem statement, architecture, feature walkthrough and Q&A.	Completed all planning, design, frontend/backend, AI integration, database, testing, deployment setup, documentation and demo work.	Active

Completed Project and Demonstration Responsibilities:

Praveen Singh presented ready-made trips, registration/login, traveler preferences, custom itinerary generation, daily timelines, saved-trip management, destination recommendations, public sharing and JSON/Markdown/ICS export.

Team Coordination Notes:

Aspect	Details
Team Leader / Coordinator	Praveen Singh - sole project developer and presenter.
Overall Team Coordination Rating (1-5)	N/A - individual project; all responsibilities completed by one member.
Any issues during demo	Possible issues: slow AI responses or temporary backend connection errors.
How issues were resolved	Retry generation, use the rule-based planner, and restart the backend if needed.
